Our goal for **Dolce Summer Music Camps** is to provide new students an intro to music lessons before investing in a long-term commitment. Students have an opportunity to meet our amazing faculty and develop rhythmic stability while performing with a peer group geared for fun music education. As a benefit to all new summer camp students, **fall semester scheduling** will be available at the end of each camp week giving students opportunity to reserve continuous weekly lesson times scheduled to begin August 4th without an additional registration fee. **New students** may reserve their selected **Summer Music Camp** by emailing this completed registration form to [Brenda@dolcesmusic.com](mailto:Brenda@dolcesmusic.com). Complete the reservation by submitting a \$145 nonrefundable deposit which includes the \$45 registration fee plus a \$100 deposit payable to [dolcesmusic.com/pay](https://dolcesmusic.com/pay). The balance of your selected tour or the chamber intensive is due no later than the week before the first day of camp also payable to [dolcesmusic.com/pay](https://dolcesmusic.com/pay). **Enrolled Dolce students** have the option to sign up for a summer camp week in lieu of June and July ACH tuition to retain continuous status rather than weekly lessons. Teachers provide motivating electives to choose from which require some experience, as well as intro electives providing exposure to a new instrument. The recurring monthly auto pay for June/July will be applied to the summer camp total with the balance payable to [dolcesmusic.com/pay](https://dolcesmusic.com/pay) to reserve the selected tour week.
