Our goal for **Dolce Summer Music Camps** is to provide new students an introduction to music lessons at a glimpse before investing in a long term commitment. Students have an opportunity to meet our amazing faculty and develop rhythmic stability while performing in an age appropriate peer group geared for fun music education. As a benefit to all new summer camp students, **fall semester scheduling** will be available at the conclusion of each camp week giving students opportunity to reserve continuous weekly lesson times beginning the first week of August.

New students may reserve their selected **Summer Music Camp** by emailing this completed registration form to Brenda@dolcesmusic.com. Complete the reservation by submitting a \$135 non refundable deposit payable to dolcesmusic.com/pay. The balance is due no later than the first day of camp week also payable to dolcesmusic.com/pay.

Enrolled Dolce students have the option to sign up for a summer camp week in lieu of June/July tuition to retain continuous status. Teachers provide motivating electives to choose from which require experience. The recurring monthly auto pay for June/July will be applied to the summer camp total as tuition paid. The balance is payable to dolcesmusic.com/pay to reserve the desired summer camp week.
